

Be Connected and join **JME PTA**. Show your support for education and our school, and help us reach our goal of 100% membership. Only **\$5** to join and receive a **FREE** school directory! (one per family)

Our PTA organizes educational and social events throughout the school year, provides teachers with extra money for classrooms, and much more! Joining the PTA does not obligate you to any time commitment or volunteer position.

Thank you in advance – Michele Danish, Membership Chair
